**SUBJECT: Dock Construction, Cumberland River Mile 191.7**

Southern Marine Construction will begin construction of a new sheet pile cell and related improvements to the existing Phillips Metals dock along the right bank at the subject location on Wednesday, 13 September 2004. Work will be conducted during daylight hours, Monday through Friday, until its completion in approximately 60 days. During this period, all floating plant will be moored on-site along the right bank. Vessels transiting this area may contact the M/V TRAILBLAZER for information via marine radio.

FOR THE DISTRICT ENGINEER:
